# UGM ACADEMIC PROGRAM GUIDANCE

*for international  
students*

# UNDERGRADUATE SCHOOL

## Faculty of Economic and Business (FEB)

FEB possesses a vibrant international network which is rooted in local wisdom. The main mission of FEB is to develop leaders who are ready to contribute to society by showing the needed integrity and knowledge. The undergraduate program consists of a 4-year undergraduate course in the following programs: Accounting, Management and Economics. FEB also covers the following interests: Financial Accounting, Accounting Information System, Finance, Marketing, Public Economics and more.

FEB also gives the opportunity to participate in community service where students can contribute to people from underdeveloped regions while developing their leadership and teamwork skills. FEB also pushes its students to take part in at least one of the international Academic Exposures, namely: double degree program, student exchange program, or short-term academic program.

**Fax:** +62 274- 512781

**Phone Number :** +62 274- 512781

**Mobile Phone:** +62 812-2764-9600

FL UGM has a long and well-established tradition of excellent legal education in Indonesia. This institution is well known as both one of the oldest law schools in the country and one of the best. FL embraces the spirit of competitiveness which is inspired by the five-point ideology of the Indonesian nation, the Pancasila. FL's mission is to create experts of law with strong moral code, global insight and the capability to compete at the international level for the benefit of the nation. All of this is done by imparting knowledge, skills, and the culture of critical and analytical thinking necessary for the students.

Areas of concentrations offered by FL are: Business Law, International Law, Constitutional Law and Criminal Law. The standard duration for the program is 4 years comprising 8 semesters (courses can be checked here). Graduating from IUP Faculty of Law Universitas Gadjah Mada, a student will be granted of S.H. (Sarjana Hukum) equivalent with LL.B (Legum Baccalaureus).

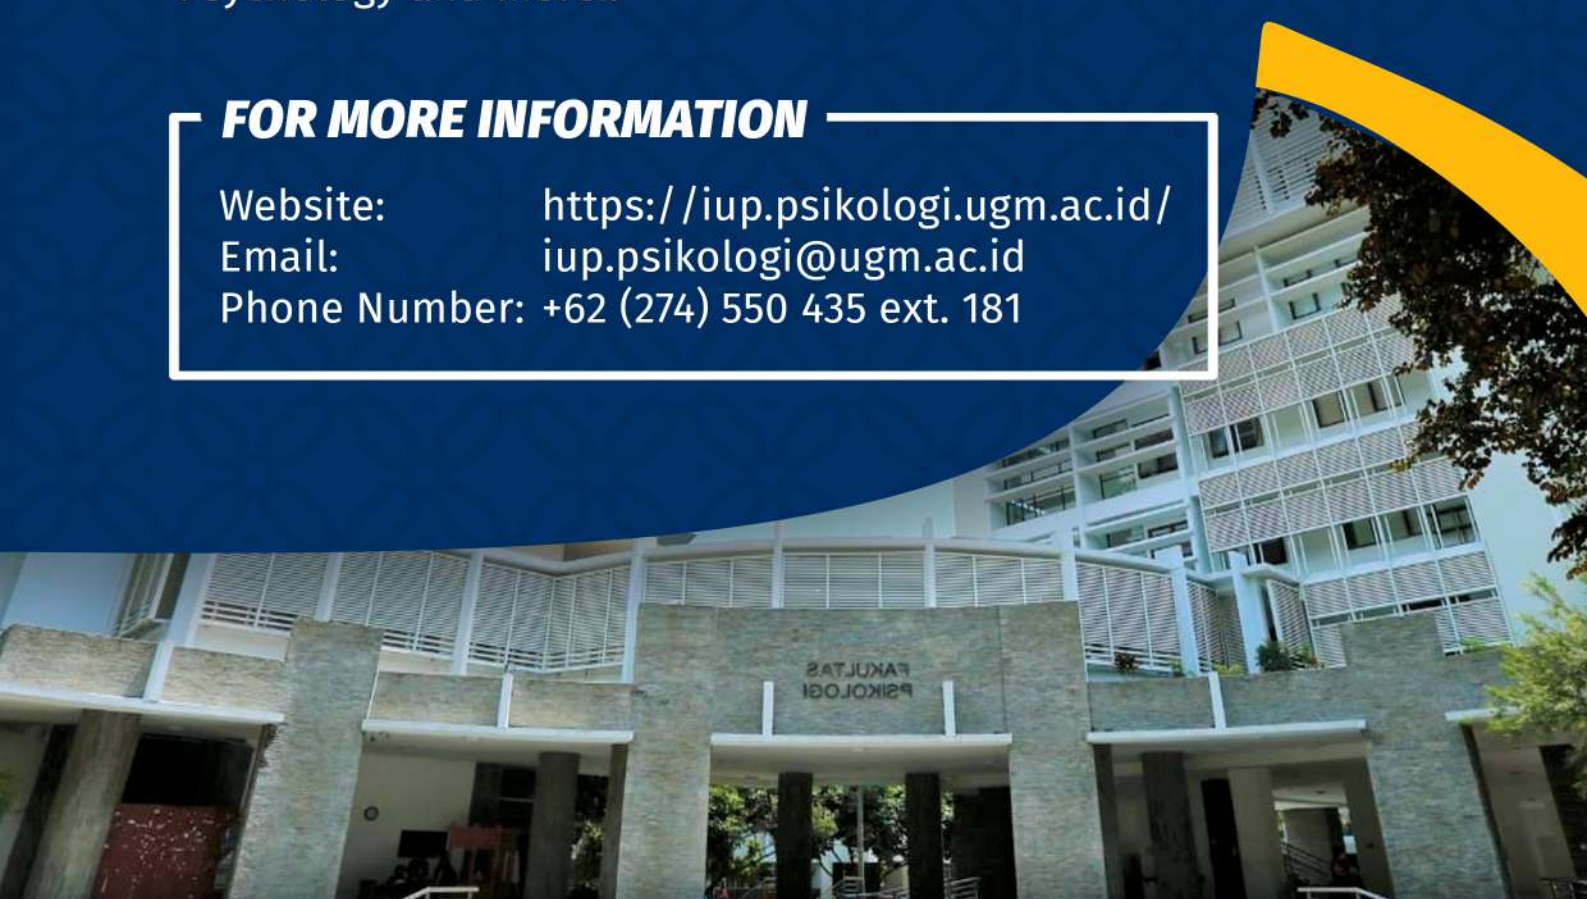

## Faculty of Psychology (FP)

Established in 1965, the Faculty of Psychology is recognized as one of the leading in Indonesia. As the world is becoming more global, the faculty welcomes the challenge of globalization by realigning its vision, mission, and strategies with the global market demands that is why FP provides its students with many opportunities to discover their creative talents and to grow to be caring and nurturing professionals. FP offers excellent educational experience for its students to deepen their knowledge in psychology. In this faculty, students examine the complexity of human behavior from various angles –from the bio-neurological to the socio-cultural.

The undergraduate program of psychology consists of 8 semesters or 4 years. Some of the courses included in the program are Theories of Personality, Psychological interventions, Industrial Psychology and more..

## Faculty of Mathematics and Natural Sciences (FMNS)

FMNS was inaugurated in 1955 and since then has been known to excel in education, research and community services nationally and internationally. Its prime aim is to produce graduates who are competent in their respective fields and literate in information technology which will help them to compete in the national and international level. FMNS also strives to support international cooperation work.

FMNS offers three international undergraduate programs:

### **1. Computer Science**

Email: chemistry@ugm.ac.id

Phone Number: +62 274-545188

## Faculty of Medicine, Public Health and Nursing (FMPHN)

The international program in FMPHN educates students to become medical doctors who have high integrity, global perspective and professionalism. High quality training in academic, medical skills and soft skills are given for 5.5 years. In addition, students are required to attend digital transformation learning to keep pace with the industrial revolution 4.0 era.

The program provides various elective modules (in English) and has many partner universities around the world which gives students the opportunity to study abroad. Before graduating, students are asked to contribute to the local community by taking part in KKN (in Indonesian - Kuliah Kerja Nyata) program.

## Faculty of Social and Political Sciences (FSPS)

The Faculty of Social and Political Sciences, Universitas Gadjah Mada—formerly the Political Science Academy—was initially established to educate government bureaucrat candidates in the field of home affairs, information, and foreign affairs during the early years of Indonesian independence. The faculty's vision is to be internationally reputed and capable of driving the nation's progress towards Indonesia as a developed country by 2050.

FSPS has long been educating students to be excellent human beings as well as developing innovative research that is beneficial to the progress of the nation.

As of now the faculty offers three international undergraduate programs:

### **1. International Relations**

## Faculty of Biology (FB)

FB targets to become an internationally acknowledged faculty, as a center of education, research development, and community service in biology, especially in tropical biology, oriented to the interests of the nation and based on Pancasila. The faculty's mission is to educate excellent and competitive graduates of both undergraduate and graduate programs who have a high moral principle of Pancasila as well as building collaboration with other universities, government and private sectors.

For further information you may check directly on the faculty's website. Feel free to check the curriculum, fees and admission process on the respective tabs.

# INTERNATIONAL GRADUATE PROGRAMS

Universitas Gadjah Mada was officially established on December 19, 1949 as a national university. Considered as one of the oldest universities in Indonesia, Universitas Gadjah Mada serves as a pillar of educational awakening in Indonesia, and purports to be a defender and disseminator of Pancasila, the national ideology. Now, Universitas Gadjah Mada has 18 Faculties and is located at the Bulaksumur Yogyakarta Campus. Most of the faculties in the Universitas Gadjah Mada consist of several departments and study programs. The academic activities of Universitas Gadjah Mada are expressed in the form of the cornerstones of Tri Dharma higher educational values consisting of Education and Teaching, Research, and Community Service.

At the moment Universitas Gadjah Mada offers two international graduate programs: LLM in the Faculty of Law and MBA in the Faculty of Economics and Business. For more information, we advise you to visit their official websites here:
